

# Auto+ 500M Micro Cut Shredder

2104500

## Product Description

Spend 98% less time shredding, save time and money with Auto Feed shredders. This high security, departmental auto feed shredder is ideal for up to 20 users. The 500M shreds up to 650 sheets (70gsm) or 500 sheets (80gsm) automatically in to approx. 2,000 2x15mm pieces each (P-5) and provides sufficient security to shred highly confidential documents. With the Auto+ 500M shredder you do not need to stand and feed it, or even remove staples or paper clips first. It has an automatic feed and a 80 litre bin so you can load up to 650 A4 sheets and leave it to get on with the job.

## Features

- Automatic Shredding
- Jam Free Clearance ensures that your shredder does not jam during the shredding process when you try to feed it too many sheets of paper.
- Power Saving Features
- The Intelligent Power Save feature ensures that your shredder shuts off automatically after 2 minutes of non-use, which in return saves energy.
- Rexel's new Auto Feed range enables you to spend 98% less time shredding - saving you both time and money.
- High Security
- A high P-5 security level reduces documents to 2x15mm micro cut pieces. High performance document destruction to protect against fraud and identity theft.
- Easy-Empty Bin
- The easy to empty 80 litre bin is capable of holding up to 1000 sheets. This means that you have to empty it less often and can concentrate on your shredding duties.
- Total Security
- The ability to shred both CDs and credit cards can prove to be vital considering the amount of sensitive information stored on them. This maximises protection and confidentiality.
- Jam-Free Technolu
