OFFICE SCREENS &SEATING

DS2 are designers and manufacturers of cost-effective, stylish soft seating and office screens - direct to the trade.

We are well situated to serve clients across the United Kingdom. Our in-house design and upholstery teams have extensive experience, knowledge and capability in developing and manufacturing furniture to the highest standards, as demanded by our customers. Whether from our standard product range to more complex bespoke requirements, we have the capability to fulfil your order.

In addition to our in-house manufactured range of soft seating, we also supply a wide range of office screens. We believe good environmental practices should go hand-in-hand with product quality, and we always endeavour to source from environmentally accredited, sustainable sources and from other UK manufacturers.
