FOCUSED ON SAFETY

Product Code:

MSA10115856

Selling UOM:

Each

Pack Size:

1

SPECIFICATION SHEET

V-GARD PROPIONATE MOULDED VISOR CHINGUARD VERSION

- V-Gard Propionate Visors provide impact protection, and are good for those applications where chemical splash hazards also exist
- They offer increased impact protection and superior optical quality over acetate visors
- Being moulded makes them optically correct, and helps ensure they maintain good visibility and reduced eye fatigue.
- Their chemical and heat resistance is better as they are thicker and not as stressed as flat visors.
- MSA10115856 is compatible with MSA helmet mounted ear defenders, V-Gard browguard, MSA10127061 and chingards including the MSA10115827
- The visor dimensions are 203 x 432 with a thickness of 2.5mm
- The visor conforms to the following:
EN166:2001 Personal Eye Protection (1B 3)
1 Optical class 1 for permanent usage
B Medium energy impact protection (B = 120 m/s)
3 Protection against droplets and splashes of liquids

Packaging Waste	Type	Units	Weight(g)	Length(mm)	Width(mm)	Height(mm)
Cardboard	Outer	1	400.00	292.00	240.00	294.00
Paper	Inner	5	26.54			
Plastic	Inner	5	37.44			
Carton Weight:	1.20kg
