MARKETING COPY:

Giving preference to recycled and recyclable materials in its manufacture, Bi-Office Earth products combine fine quality with a responsive approach on the environmental issues our planet is now facing. In our pursuit for excellence we match our office and communication solutions with the highest standards in sustainable development.

Answering to the contemporary need of finding sustainable options for the continued development of our consumer needs, Bi-Office products are offered in ecologically concerned formats. Our Earth! presentation boards provide our customers with the best performance and professional quality, from recycled and recyclable materials.

APPLICATION AND SALES PROPOSITION:

TARGET MARKET:

CHANNEL: Office products wholesalers, office products stores, decoration products wholesalers, decoration stores and other retailers

END USERS: conference centers, hotels, companies and organizations in general

ADDITIONAL NOTES:

Other information supports: our official websites, Youtube®, Facebook®, catalogue and online catalogue, demo videos and more.

PROMOTIONAL TIPS:

No specific timing, thus we recommend the occasional promotion like product and offering of cleaning kits or markers
