

**PRODUCT SHORT DESCRIPTION:**

**Modular exhibition and display system**

**FEATURES AND BENEFITS:**

- Ideal for creating large semi-permanent displays
- Substantial aluminium support and structure
- Adjustable mounting height of each display panel
- Choice of surfaces including felt, cork or whiteboard
- Panels available in a range of sizes that can mounted portrait or landscape
- System can be reconfigured or extended at any time with more boards and feet bars
- For security reasons, the feet central structure must have a stabilizing bar

**PRODUCT IMAGE:**

**MARKETING COPY:**

Industrial boards are very important for measuring work efficiency and metrics, improving tracking and visual factory needs. Bi-silque has developed a wide range of wall presentation solutions from Whiteboards, Trio whiteboards, Rail systems, Display cases to Display stands. These wall solutions are also available with fixed and mobile structures which increase flexibility inside the industrial area.

**APPLICATION AND SALES PROPOSITION:**

- Enhanced presentation in a simple and easy way
- Can be reconfigured or extended at any time

**TARGET MARKET:**

CHANNEL: Industrial Sector, Office products wholesalers, office products stores, other retailers and building contractors  
 END USERS: Industrial Companies, public buildings, public store buildings and private and public buildings in general

**ADDITIONAL NOTES:**

Other information supports: our official websites, Youtube®, Facebook®, catalogue and online catalogue, demo videos and more.

**PROMOTIONAL TIPS:**

No specific timing, thus we recommend the occasional promotion like offering of accessories.
