

PRODUCT SHORT DESCRIPTION:

Useful whiteboard ideal for any presentation

FEATURES AND BENEFITS:

- Slim anodised aluminium frame
- Available in three choices of surface:
 - Melamine
 - Lacquered steel
 - Ceramic
- Aluminium pen tray simply clips onto the frame in any position
- Available also with a faint gridded surface that aids writing but is not seen by audience
- Wall fixings supplied

PRODUCT IMAGE:

MARKETING COPY:

A presentation is enhanced by the use of writing text, drawing diagrams and even freehand doodles. The ability to write, erase and re-write information is now a central part to group meetings. Bi-Office has created the widest range of user friendly products that bring life into your meetings, lessons, conferences and training sessions.

APPLICATION AND SALES PROPOSITION:

- Enhanced presentation in a simple and easy way
- Easily mount Maya boards on any wall. The specially designed corner pieces add resistance and durability to every product in this line.
- Gridded boards are ideal for drawing charts and making lists
- The 25mm (1 inch) sided grid remains visible at distance without hampering the presentation content

TARGET MARKET:

CHANNEL: Office products wholesalers, office products stores, other retailers and building contractors

END USERS: conference centers, hotels, public buildings, public store buildings and private and public buildings in general

ADDITIONAL NOTES:

Other information supports: our official websites, Youtube®, Facebook®, catalogue and online catalogue, demo videos and more.

PROMOTIONAL TIPS:

No specific timing, thus we recommend the occasional promotion like offering of accessories.
