

OSI is one of the most popular models of conference chairs. The backrest and seat are upholstered, wide and properly profiled. The foams with carefully selected parameters make the chair comfortable and ergonomic. OSI can be equipped with the armrests and writing table. OSI chairs are dedicated for conference and training rooms, offices and shops.

The model is available with plastic backrest and seat [OSI PLAST](#), with backrest and seat made of the beech plywood [OSI WOOD](#) but also with upholstered seat and perforated plastic backrest [OSI PRIS](#).

- **OSI - F**
conference chair; upholstered backrest and seat (F) – 4-leg frame, steel, powder coated black
- **OSI - F - AR**
conference chair; upholstered backrest and seat (F) – 4-leg frame, steel, powder coated black (AR) – plastic armrests
- **OSI - F - AR1C**
conference chair; upholstered backrest and seat (F) – 4-leg frame, steel, powder coated black (AR1C) – plastic armrests (1) with folding table
- **OSI - F - AR2C**
