We hereby confirm that STAEDTLER SE and the packaging placed on the market by STAEDTLER SE comply with the applicable requirements of Regulation (EU) 2025/40 on packaging and packaging waste (PPWR) at the time they are placed on the market and/or from the respective legally applicable date. In particular, we confirm that:

- the PPWR requirements applicable to the respective packaging are complied with. This includes, in particular, requirements relating to material composition, separability, and recyclability, insofar as these requirements are applicable to the respective packaging and can be assessed on the basis of the applicable legal framework;
- the applicable labeling requirements are met, taking into account the relevant transition periods and implementation deadlines;
- the documentation required under the applicable legal provisions (in particular EU Declarations of Conformity and technical documentation) is prepared, maintained, and retained for the legally prescribed retention periods;
- appropriate procedures have been established to ensure ongoing compliance.

Upon duly justified request by the competent market surveillance authorities, the legally required documentation will be made available in accordance with the applicable legal provisions.

Packaging placed on the market by STAEDTLER SE is developed, sourced, and manufactured in consideration of the applicable legal requirements. Compliance with the applicable PPWR requirements is ensured through appropriate internal processes as well as quality and conformity assurance measures.

This confirmation relates exclusively to the PPWR requirements that are applicable to the respective packaging and in force at the date of issuance. Should legal requirements change or additional requirements become legally binding at a later stage, such requirements will be implemented within the respective statutory deadlines.

STAEDTLER SE is registered with the **ZSVR – Stiftung Zentrale Stelle Verpackungsregister – LUCID** under registration number **DE3181340039867**.
