Bingswood Industrial Estate,
Whaley Bridge, High Peak,
Derbyshire, SK23 7SP
Telephone: 01663 733535
Facsimile: 01663 734253

DECLARATION OF COMPLIANCE

PRODUCT CODE/DESCRIPTION: SM-ST70-28-CK47

Material Properties

Face Paper:	ST70	High White Laser/Copier 70gm ²
Adhesive:	28	Waterbased Permanent Adhesive
Silicone:	-	UV Silicone
Backing Paper:	CK47	Clay Coated Kraft 47gm ²

Minimum Application Temperature: +5°C

Service Temperature Range: -20° to +80 °c

Storage Conditions: Store at temperatures between 18 - 23°C at 50% RH. (Relative Humidity)

Interket Limited has been awarded: BRC/IoP Global Standard 'Packaging and Packaging Materials' - 'Basic Hygiene Category', which identifies the Company as a low risk Supplier of secondary packaging for non-direct food contact.

The due diligence Interket Limited seek to achieve through our Suppliers and Trade Memberships, particularly those in the Packaging Industry; is to actively build a comprehensive product library through research ensuring the applicable legislations within the UK to which our products conform are based on:

- **Materials and Articles in Contact with Food Regulations 2012**
- **Packaging (Essential Requirements) Regulations 2015**
- **EU Directives EC1935/2004-EC2023/2006-EU10/2011-EU1282/2011-EC1895/2005-EU1183/2012-EU202/2014-EU174/2015 and subsequent updates (where applicable)**
- **British Coating Federation Guidelines**
- **EuPIA GMP (Good Manufacturing Practices)**
- **COSHH 2002 Regulations**
