VESA  
**Thin Client Holder**

# VESA

## Thin Client Holder

### Features:

- Safely mount your CPU to maximise your workspace and keep clutter-free.
- Accommodates most thin client's and small CPU's, with easy width adjustment.
- Versatile attachment method allows you to install your thin client behind your screen using the VESA mount to the back of your monitor, clamped to monitor mount pole, or installed under the desk.
- The open frame design improves airflow and allows easy access to ports.
- Adjustable strap holds CPU firmly in place.

### Specification:

|                                         |                                     |                |
|-----------------------------------------|-------------------------------------|----------------|
| Code                                    | 100136873                           | 100136874      |
| Colour                                  | Black                               | White          |
| Product Dimensions (H x W x D)          | 15.2 x 11.8 x 8 cm                  |                |
| Product Weight                          | 0.66 kg                             |                |
| Retail Packaging Dimensions (H x W x D) | 18 x 13 x 9.7 cm                    |                |
| Retail Packaging Weight                 | 0.78 kg                             |                |
| Outer Carton Dimensions (H x W x D)     | 38 x 28 x 11.5 cm                   |                |
| Outer Carton Weight                     | 3.56 kg                             |                |
| Weight Capacity                         | 5kg                                 |                |
| Min and Max Adjustment Range            | 17 – 70 mm                          |                |
| Mounting Options                        | VESA, pole mount, desktop           |                |
| Pole Diameter                           | Fits onto poles measuring 30 - 40mm |                |
| VESA                                    | 50 x 50, 75 x 75, 100 x 100         |                |

| Warranty                                | 5 Year Limited                      |                |

### Maximise Workspace

Keep your workspace tidy and clutter-free for a clean, efficient setup.

### Adjustable Width

Easily adjusts to fit a variety of device sizes.

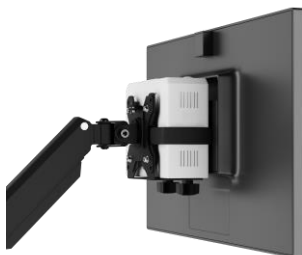

### Secure Strap

Adjustable strap holds CPU firmly in place.

### Under Desk

Mounts securely beneath your desktop to maximise space.

### VESA Mount

Install your thin client behind your screen using the VESA mount to the back of your monitor.

### Pole Mount

Securely attach your thin client to the monitor pole.
