

C13 Power Cord - Schuko CEE7 to 2x C13 - 2 m

Product ID: PXT101YEU2M

Maximize the outlets on your power strip, surge protector or wall outlet and free up space for other devices. This C13 power cord lets you plug two devices into a single power outlet.

The cord length from the Y-split is 50 cm on each side, giving you an extended reach for securely connecting your devices. You can power two monitors, or a monitor and a computer, or two switches in a rack, without placing strain on the cord.

The C13 power cord is fully tested to ensure maximum performance.

PXT101YEU2M is backed by a StarTech.com lifetime warranty for guaranteed reliability.

Certifications, Reports and Compatibility

Applications

- Power two devices from a single power outlet

Features

- Provide a connection distance of up to 1 meter between both devices
- Maximize space on your power strip, surge protector or wall outlet
- Guaranteed reliability with a lifetime warranty
