

## B13 Drain Unblocker

Highly concentrated alkaline formula quickly dissolves blockages to keep drains fresh and flowing freely. Can be used regularly to maintain free-flowing drainage.

- Powerful action dissolves blockages in drains and traps
- Deep penetrating action
- Keeps drains flowing freely

FOR PROFESSIONAL USE ONLY. Always wear suitable protective gloves and eye protection when using this product.  
**For blocked or slow-flowing drains:** pour 500ml down plughole or into drain opening. Clean up any spillages immediately. Leave for at least 3 hours or overnight before thoroughly flushing through with hot water. Ensure area is fully clear of drain unblocker before allowing access.

**For regular drain maintenance:** pour 100ml-250ml into drain once or twice a week to prevent bad odours and blockages. Take care to clean up any spillages and take measures to avoid inadvertent contact with drain unblocker.

#### QUALITY ASSURANCE:

This product is manufactured in the UK by Orca Hygiene Ltd. Produced under ISO9001 Quality Management System and ISO 14001 Environmental Management System.

CONTAINS: Sodium hydroxide, potassium hydroxide
