Skandi brings softness and naturalness to your organization.

The Skandi Big Box filing module is made up of 4 drawers for filing A4 and A4+ format documents, 24x32cm elasticated pockets or large format envelopes. It is suitable for office, home office or school use.

The box is designed in a single block. It is therefore more resistant, ultra rigid and durable. It is also stackable thanks to the 4 reliefs which ensure the stability of the boxes.

The drawer fronts are open to allow documents to be slid in directly. The drawers are pleasant to use, sliding and silent, equipped with a safety stop.

Respectful of the environment, this classification module is made of recycled plastic from household waste and is therefore Blue Angel certified. 25 year warranty.
