

KENDO
Single Line Hand Held Labelling System

JUDO
Two Line Hand Held Labelling System

**Print Font Improvement –
Larger Font Size of 5mm In Height**

- High-quality printout, ensuring clarity

Reduction In Read-depth Distance

- Relieves eye stress with a much easier to see display

Wide Open Path For Label Loading

- Clear open path allows user to load labels with ease

**Works With Both Face-in And
Face-out Labels**

- Users are able to choose from a wider variety of label types

One-touch Easy-load Ink Roller

- Convenience of loading ink roller

Crisp & Clean Index Band

- Stopper mechanism ensures that ink does not smudge to the index band

**Uniquely Designed
Print Band Mechanism**

- Eliminates problem of ink smudging the index band

Innovative Hand Labelling Systems

KENDO & JUDO, SATO's new concept of hand labellers support 1 and 2 lines data printing respectively. New features such as larger font size and wide open bays make these new models more user-friendly.

Its unique platen mechanism provides flexibility to choose up to 10 different types and sizes of labels.
