MOTION & HEAT DETECTION

WEATHER PROOF

DAY/NIGHT VISION

## Put the heat on crime with this Super HD security camera

- Enjoy day & night protection with the latest thermal-sensing security & have a bird's eye view of your premises in crystal clear 5 Megapixel Super HD
- Seeing is believing from this 5 Megapixel (1920p) camera with resolution that's 2.4x better than 1080p (2MP), perfect for seeing close up detail such as license plates, facial detail, clothing colors & more
- See what's happening during the night with infrared cut filter & powerful LEDs producing night vision up to 130ft / 40m & a wide 82° viewing angle
- The camera features a state-of-the-art True Detect™ PIR motion sensor designed for security applications & optimized to reliably detect people, but also cars, large pets & other large heat-generating objects~
- The built-in microphone captures audio to add another layer of evidence to your video
- With discreet dome styling & sturdy aluminum construction, the camera suits indoor & outdoor applications with an IP66 rating for any weather conditions & cable threaded through the mounting stand for added protection
- This camera is the perfect addition if you already have a recording solution (NVR) & need extra surveillance. It can only be used in combination with Swann's Platinum Digital HD NVRs^
