DATATRAVELER EXODIA

Easy access and quick transfers everyday

Kingston's DataTraveler® Exodia features USB 3.2 Gen 1 performance for easy access to laptops, desktop PCs, monitors and other digital devices. DT Exodia allows quick transfers and convenient storage of documents, music, videos and more. Its practical design and fashionable colors make it ideal for everyday use at work, home, school or wherever you need to take your data. DT Exodia is available in capacities up to 256GB¹ and is backed by a five-year warranty, free technical support and legendary Kingston® reliability.

- › Large loop easily attaches to key rings
- › Practical cap protects the USB plug
- › Multiple color options by capacity

more >>

FEATURES / BENEFITS

Ultimate portability — DT Exodia features a large, colorful loop that easily attaches to key rings, enabling you to have extra storage on the go.

Cap protection — Practical cap protects the USB plug and your data. The cap also fits onto the back loop, so you won't miss it.

Range of capacities¹ — Multiple color options by capacity.

Backward Compatibility — Compatible with existing USB 2.0 ports, allowing 2.0 users to migrate to 3.0 in the future without replacing their drives.

1. Some of the listed capacity on a Flash storage device is used for formatting and other functions and thus is not available for data storage. As such, the actual available capacity for data storage is less than what is listed on the products. For more information, go to Kingston's Flash Memory Guide at kingston.com/flashguide.

2. Speed may vary due to host and device configuration.
