Illuminated

Because of its distinctive LED lights this mouse fits perfectly in any game setting. The three colors of the mouse are set to a specific DPI setting, so when you switch DPI the mouse will change colors. This way you can see what kind of settings you are using in a glance.

Comfortable during long gaming sessions

The Trust GXT 152 Illuminated Gaming Mouse is ergonomically shaped, which makes the mouse comfortable during hour long gaming sessions. The gaming mouse features a no-sweat rubber coating for long-term grip. The nylon braided cable is designed to slip easily over your table and can withstand heavy use.

Accuracy

The Illuminated Gaming Mouse features a precision optical gaming sensor with adjustable DPI values between the 600 and 2400 DPI range. With the DPI button you easily switch while gaming to a different DPI, this way you can adapt easily to any situation.
