EPOCH

# Dell 24 Curved Gaming Monitor | S2422HG

## Your front row seat to high-speed thrills

From its exterior styling and interior architecture to the best-in-class technology, Dell is proud of our deep heritage in pushing the boundaries in design, innovation and functionality. Our Dell 24 Curved Gaming monitor is built to deliver swift and responsive gameplay, versatility and highly customizable features to deliver an exceptional and immersive gaming experience to mainstream and casual gamers.

## Smooth & speedy

Enjoy seamless performance during high-speed action thanks to an incredibly fast 1ms Moving Picture Response Time (MPRT) and 4ms GtG (Grey to Grey) response time that eliminates motion blur.

## Rapid responsiveness

An impressively quick 165Hz refresh rate allows fast-moving visuals to be seen with incredible clarity so you can react quicker.

## A brand to rely on

We take pride in our unyielding commitment to quality and the utmost satisfaction of our customers. Dell Premium Panel Exchange allows a free panel replacement during the Limited Hardware Warranty period even if only one bright pixel is found. Minimize downtime with 3-year Advanced Exchange Service.

Thank you

## Product Details:

- Enjoy seamless performance during high-speed action thanks to an incredibly fast 1ms Moving Picture Response Time (MPRT) and 4ms GtG response time that eliminates motion blur.
- An impressively quick 165Hz refresh rate allows fast-moving visuals to be seen with incredible clarity so you can react quicker.
- AMD FreeSync™ Premium technology ensures that graphic distortions like screen tearing and stuttering are minimized for sharp, seamless gameplay and extraordinary image quality.
- View rich, consistent colors (99% sRGB color gamut) on the VA (Vertical Alignment) panel that offers a high contrast ratio of 3000:1 across a wide 178-degree viewing angle.
- The 1500R curved screen creates a more realistic field of vision for a more immersive viewing experience.
- Game with minimal distractions and a larger surface area thanks to a 3-sided ultrathin bezel.
- In-game advantage: 3 user-defined profiles to fit the variety of games played in addition to 4 preset modes and game features such as Timer, Frame Rate Counter, Dark Stabilizer.
- Height and tilt adjustability let you customize to your viewing preference for long hours of gaming
- Dell Premium Panel Exchange allows a free panel replacement during the Limited Hardware Warranty\* period even if only one bright pixel is found.

Availability: Starting February 25, 2021  
Starting price: USD 289.99

# Feature Overview

---

## Evolved design. Enhanced gaming.

Angled base allows for closer gameplay and a smaller footprint for more desktop space & additional gaming accessories.

Uniquely-designed vents on the back of the monitor are engineered for enhanced heat dispersal.

### Easy-access and navigation

- Cable management makes set-up easy while keeping the desktop space clean and organized.
- Easily navigate and manage the OSD menus with the joystick and shortcut buttons on the back of the monitor.

### Gaming-centric On-Screen Display (OSD)

Customizable & pre-set game modes (FPS, MOBA/RTS, RPG, SPORTS) allow you to optimize game visuals without having to manually adjust screen settings every time you play your game.

## Product Gallery

---

The 1500R curved screen creates a more realistic field of vision for a more immersive viewing experience.

Controlling the brightness using a direct current enables a flicker-free screen, giving you a more comfortable viewing experience. Additionally, the built-in ComfortView low blue light software solution reduces harmful blue light emissions and eye strain especially during long games of gaming.
