### What's in the box

- TV mount for Iris
- Mounting materials

### System requirements

- TV/ Monitor with VESA mount (up to VESA 800)
- Trust Iris 4K Conference Camera

## Meeting Room Mount Solution

With the Iris TV mount, you can firmly mount your conference camera above or below a meeting room screen. Especially designed for the original Trust Iris 4K Video Conference Camera, it offers seamless compatibility. Secure the right camera height to maintain a professional image during any meeting.

## Easy and Secure Mounting

The stable mount can be used with any TV or monitor of up to 88 inches. Thanks to the universal VESA standard, mounting is easy and secure (up to VESA 800) and all mounting materials are included.
