## A New Light on Sound Experience

Bringing the best in sound, comfort and light experience, the GXT 460 Varzz Illuminated Headset makes gaming that much more exciting. Coupled with its range of unmissable functions, this gaming headset will take your gaming experience to the next level.

## Powerful Sound

Give your game a solid sound base with the 50mm driver units, boasting excellent sound. Rich and powerful audio makes your gaming sessions more immersive, whilst crystal clear communication makes for many victories.

## Colour it up!

The Varzz is sure to make an eye-catching addition to your gaming setup. With its blue light circles on the sides of the earcups and on the mic, you can light up the room and illuminate your gaming experience.

## You're in Control

You've got the sound, you've got the light, and now you need functional control. We've got a thing or two for that. Such as a reinforced metal adjustable headband and an inline remote with volume control and microphone mute. Add to this an extra-long braided cable and you've got yourself a few really useful specs that make the Varzz a highly functional gaming headset.

## Comfort is Key

Get into your game and forget about everything else – the GXT 460 Varzz Illuminated Headset is built to be comfortable for hours on end. Its over-ear pads are large and soft and will fit your head like a glove – even when one hour becomes an all-nighter.
