

Clear stereo sound

DELL STEREO SOUNDBAR – AC511M

CLEAR STEREO SOUND

Enjoy amazing audio clarity from your favorite games, music and movies with its 2.5W RMS speakers and wide frequency response range of 100Hz to 20kHz. For private listening, simply plug in the headphone jack.

CONVENIENT AND EASY SET UP

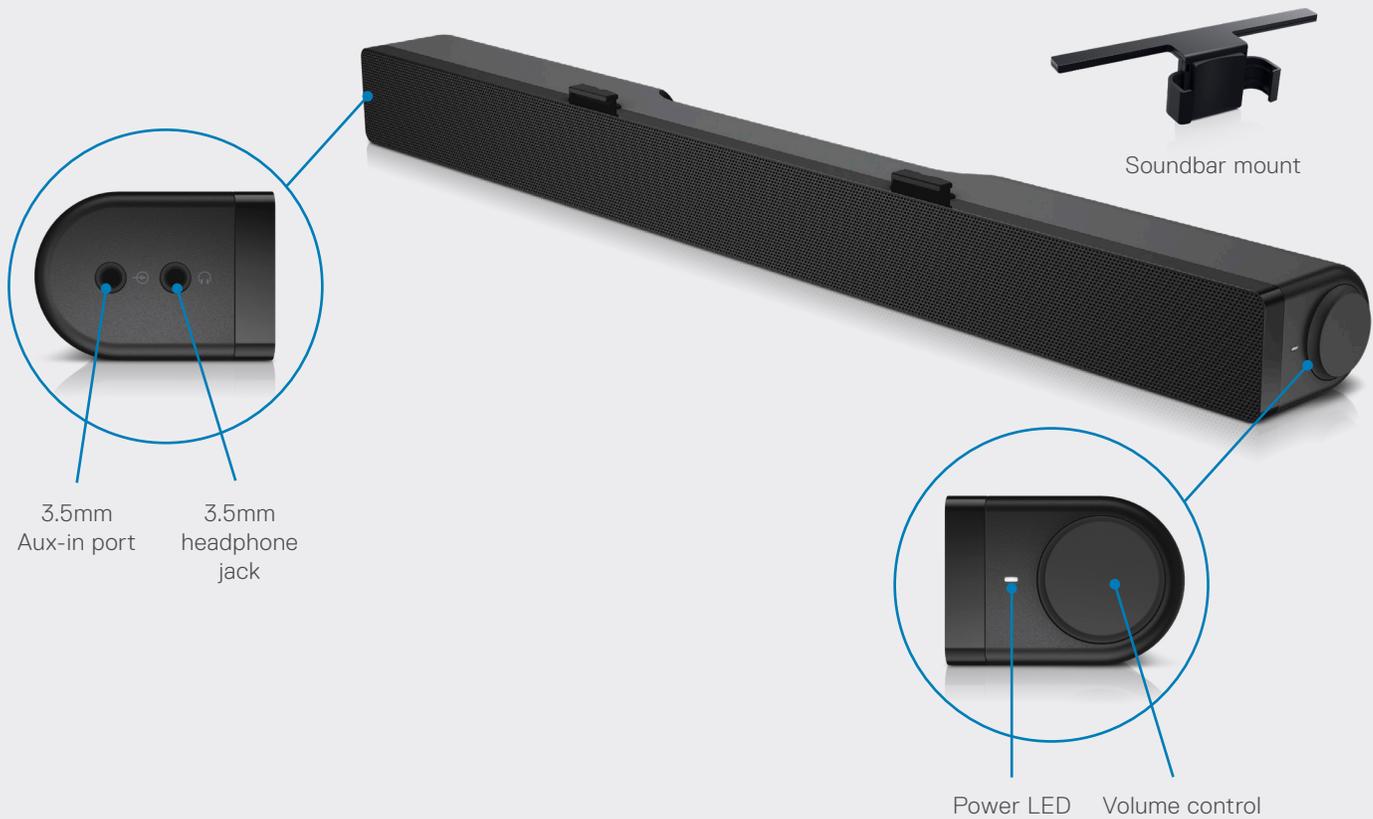

USB powered, the Dell Stereo Soundbar is simplicity itself. Just plug in to an available USB port on your monitor or laptop. No extra software installation, no power cord, no batteries required.

STYLISH, SPACE SAVING DESIGN

An included soundbar mount offers easy attachment to the monitor, allowing you to enjoy clear stereo sound without losing desk space.
