

Lenovo C32u-40 Monitor

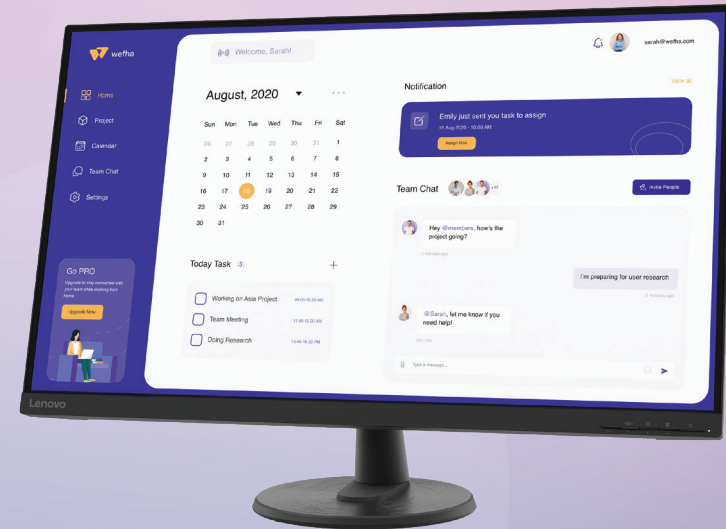

Crystal-clear monitor for a premium home or office setup.

4K display that's great for work and play.

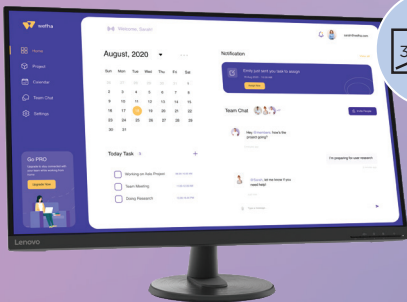

The Lenovo C32u-40 Monitor delivers a seamless work and entertainment experience. Its large 31.5-inch 3-side NearEdgeless screen with UHD (3840 x 2160) resolution ensures that the monitor not only works great as a secondary screen to your laptop but also acts as a TV for you to enjoy your favorite multimedia content. The VA panel packs a 72% NTSC color gamut, which works together to bring rich visuals to life. Whether it's video or image editing, navigating excel sheets and pie charts, or streaming videos, it performs effortlessly. It also pulls off casual gaming with ease. The Lenovo C32u-40 Monitor cares for the comfort of your eyes, thanks to the built-in TÜV Rheinland Eye Comfort and TÜV Flicker Free-certified technologies which eliminate toxic blue light and prevent flickers for a great viewing experience. Thanks to the anti-glare screen, you won't notice any distracting reflections even when using the monitor in a bright room. Connect a laptop or desktop, and speakers or headphones easily with the monitor's varied connectivity options including two HDMI 2.0 ports, one DP 1.2 port, and an audio out port. Sit back and enjoy a more relaxed posture with the monitor's tilt function. If you prefer a cleaner, clutter-free desk, you can use the 100 x 100 VESA Mount to install it on a wall. Its cable management system nicely tucks all cables behind the desk, leaving you with a neat setup. The Lenovo C32u-40 Monitor is easily the go-to monitor for your personal or work needs.

Features of Lenovo C32u-40 Monitor

31.5-inch

Enthralling visuals

The Lenovo C32u-40 Monitor's big 31.5-inch UHD VA screen can render captivating imagery that's rich in color and has deep blacks, thanks to its 72% NTSC color gamut. Also, the UHD (3840 x 2160) resolution dishes out all the finer details, so that you don't miss out on any details while working on spreadsheets or watching an action movie.

Effortless setup

The Lenovo C32u-40 Monitor offers ample connectivity options so you set up the perfect work or entertainment space. Connecting a computer or laptop and an audio device is a breeze with two HDMI 2.0 ports, a DP 1.2 port, and a 3.5 mm audio port. Enjoy the perfect working or viewing posture with the monitor's tilt functionality or use the 100 x 100 VESA mount to install it on a wall so you can sit back and enjoy a cleaner desk and a more comfortable viewing experience.

Prioritizing eye care and comfort

Crafted to care for your eyes, the Lenovo C32u-40 Monitor cuts out harmful blue light with its in-built TÜV Rheinland Eye Comfort-certified technology, and enjoy tear-free video quality with its TÜV Flicker Free-certified technology. In addition to this, the low 4ms response time reduces input lag, offering you a swift and seamless gaming experience.
