

4-Post 18U Server Rack Cabinet, Lockable 19" Data Rack Cabinet for Computer / AV / IT Equipment, Office / Home Network Rack with Casters & Adjustable Mounting Rails

Product ID: RK1836BKF

This 18U server rack cabinet provides plenty of storage space in a sleek secure cabinet for storing EIA-310 compliant 19 inch rackmount devices such as Dell, HP and IBM servers along with telecommunication, A/V and IT equipment.

This knock down server rack has been engineered with different features that enable you to easily incorporate plenty of equipment. With adjustable mounting rails you can easily change the rail depth to up to 32 in. (813 mm).

To ensure you have full visibility of your equipment while securely locking it up, this rack has a stylish glass window on the front door. The server rack with glass door also has removable side panels with independent lock with quick-release mechanisms that enable you to easily access your network equipment.

The server rack with wheels ensures hassle-free access to the rear mounted equipment, while providing ease of mobility around your office or server room. Once the network equipment enclosure is at the intended location you can stabilize it using the built-in leveling feet in floor standing applications.

StarTech.com conducts thorough compatibility and performance testing on all our products to ensure we are meeting or exceeding industry standards and providing high-quality products to IT Professionals. Our local StarTech.com Technical Advisors have broad product expertise and work directly with our StarTech.com Engineers to provide support for our customers both pre and post-sales.

The RK1836BKF is backed by a lifetime StarTech.com warranty with free technical support.
