| System requirements | - Windows 10 or 11 - macOS 11, 12 or 13 - Chrome OS - Bluetooth connection - Free USB port |

Marketing

Extended retailer text**Triple connection**

Love multitasking? So does the Lyra – with the ability to connect up to three devices via USB receiver and 2x Bluetooth, you can easily switch between working on your phone, tablet and computer using the three dedicated buttons.

The key to greener working

Take one step closer to sustainable working with the Lyra. Made with 84% recycled plastics and packaged in 100% plastic-free packaging, your keyboard and mouse may be black in colour, but they're certainly green too.

Working overtime

Don't worry about faffing around with changing batteries anymore – complete with rechargeable battery, both the keyboard and mouse last up to 6 months on a single charge, and can easily be recharged whilst working in just two hours.

Yes to OS

Designed with convenience in mind, the Lyra is compatible with Windows, iOS, iPadOs, MacOS, Android and Chrome OS so you can use it with all your different devices.

Keeping a low profile

Ideal for travelers and commuters (or just those who want a smaller keyboard!), the Lyra keyboard has a compact size, low-profile laptop style scissor keys, and 3-step height adjustable rubber feet. The mouse is also small and sturdy, making this set ideal for easy work in the office, at home, and on the go.

Easy key-sy

Easily accessible media and hotkeys help you further optimise your workflow so you can present, work and play at the touch of a button.

Get a grip

Ambidextrous and with an adjustable cursor speed between 800-1600 DPI, the Lyra mouse is suited to fit all users no matter what you're working on.
