Marketing

Extended retailer text	<p>Take Back Power</p> <p>Never worry about empty controllers again. The Trust GXT 250 Duo Charging Dock for Xbox Series X S will always have your controllers ready and charged thanks to the included battery packs and dual-charge function.</p> <p>Stop Wasting Batteries</p> <p>The controller for the latest Xbox still works on disposable batteries. Well, no more. The Duo Charging Dock comes with two rechargeable battery packs, making this solution not just great for the environment, but it saves a lot of money too. And because you'll recharge both battery packs at ones in this dock, it also saves you valuable time.</p> <p>It Fits</p>
-------------------------------	---

The GXT 250 Duo Charging Dock resembles the look of the Xbox Series X, making it a great companion for your new console. Use the single USB cable to connect the dock to the console and store your controllers on top to keep them in a safe spot. By keeping your console in sleep mode, your controllers will be charged and ready to go the next time you want to play a game.
