Slim Combination Ultra Cable Lock for Standard Slot

Part Number: K60628WW | UPC Code: 0 85896 60628 4

## Ultra security that won't get in the way.

Ideal for thin laptops, the Slim Combination Ultra Cable Lock for Standard Slot offers our highest level of protection against cutting attempts, while allowing the laptop to lie flat and stable, and without blocking valuable ports. Extra-thick (6.5mm) six-foot carbon steel cable is sheathed in an anti-shearing plastic sleeve that resists cuts and protects surfaces. Features include a resettable four-number combination; one-handed operation; and Register & Retrieve™ for quick, secure, and easy combination retrieval. Meets or exceeds rigorous strength testing standards. Five-year warranty. From Kensington, inventor of the laptop cable lock, and industry leader in physical device security for more than 25 years.

Features include:

- Extra-thick (6.5mm) six-foot carbon steel ultra cable provides ultimate resistance to attack
- Anti-shearing plastic sleeve resists cuts and protects surfaces
- Slim lock head allows laptop to lie flat and stable
- Will not obstruct laptop ports
- Resettable four-number combination

- Enables one-handed use
- Quick, secure, and easy combination retrieval (via Register & Retrieve™)
- Verified and tested
- Made by Kensington, inventor and worldwide leader in laptop security locks
- Five-year warranty
