

MAX LITE™ EARPLUG

PRODUCT INFORMATION

Single-use shouldn't mean single choice. Howard Leight offers a comprehensive choice of Single-Use earplugs that include the comfort features your employees deserve, plus the highest SLC80 ratings available. An economical choice for work situations that demand a high degree of comfort, frequent changes, or where hygiene presents a problem for re-use.

Max Lite provides comfort for workers with smaller ear canals in a low pressure foam earplug.

PRODUCT FEATURES

- ⇒ Ideal for female workers or people who have difficulty fitting earplugs.
- ⇒ Low pressure foam expands gently for a comfortable long-term wear.
- ⇒ Contoured T shape for easy handling and wear.

APPLICATIONS

- ⇒ Any noise environment 100dB to less than 105dB
