Rubicon

Safety Glasses

Premium Series
Specification Sheet

PRODUCT DESCRIPTION:

The curved frameless lens design which offers a close orbital seal for increased protection is the Rubicon®'s most innovative feature. It also features a soft gel nose piece for added comfort and durable metal temples with non-slip temple sleeves. Engineered to provide the highest level of innovation for consumers that demand the very best in safety and a sleek modern design for those who enjoy looking good.

FEATURES:

- Curved frameless lens design offering close orbital seal
- Resilient spring hinge temples
- Duramass® scratch resistant coating
- Rugged polycarbonate lens filters 99.9% of harmful U.V. rays
