Pur-Eco<sup>TM/MC</sup>  
Bowl & Bathroom  
Cleaner

Environmentally preferred bio-based bowl and bathroom liquid cleaner removes soap scum and hard water from restroom surfaces.

### Features

- Formulated with 50-80% renewable agricultural resources
- Formulated to prevent build-up of persistent bathroom soils with consistent use.
- 100% Recyclable packaging (RTD<sup>®</sup> and J-Fill<sup>®</sup>)
- Close-looped packaging to virtually eliminate contact with chemical, prevent spills, and reduce product waste
- Purple color with a great scent

### Benefits

- Certified by the United States Department of Agriculture (USDA) as part of their BioPreferred<sup>®</sup> program
- Pur-Eco<sup>TM/MC</sup> products are derived from natural renewable resources
- Environmentally preferred formula is economical and safe
- Contributes to reducing adverse environmental and health impacts

### Applications

- Use on bathroom fixtures, tiles, shower doors and other exteriors within washrooms
- Can be used on most water washable restroom surfaces

### Use Directions - J-Fill®

- Attach cartridge to any J-Fill® Dispensing System (reference J-FILL® dispenser instructions). Connect hose to cold water tap. Product will dispense at a 1:32 dilution.
  - Actuate dispenser to fill ready-to-use product into a foaming trigger sprayer or flip top cap bottle.
  - Apply use solution on a damp cloth or directly on the surface to be cleaned and let dwell for several seconds. Agitate soils with a cloth or non-abrasive cleaning pad.
  - Rinse surface with clear, cold water. Polish with a dry soft cloth.
- NOTE: Do not use on natural wood, marble, stone. Some commercial strength cleaners are unsuitable for use on some surfaces. Test in an inconspicuous area prior to use. Do not store in food processing areas. Always stand on a non-slip surface when in a shower or tub.

### Use Directions - RTD®

- Attach RTD® bottle to cold water hose and turn water on.
- Rotate control knob to for bottle filling at a 1:32 dilution or for bucket filling at a 1:32 dilution. Dispense ready-to-use product into appropriate container by depressing trigger.
- Apply use-solution on a damp cloth or directly on the surface to be cleaned and let dwell for several seconds. Agitate soils with a cloth or non-abrasive cleaning pad.
- Rinse surface with clear, cold water. Polish with a dry soft cloth.

### Product Specifications

Description	
Certifications	USDA and Ecologo
Color/Form	Dark purple, clear liquid
pH	3.72 (Concentrate) 3.92 (Use dilution 1:32)
Scent	Surfactant
Shelf Life	1 year

### Available Items

SKU Code	Description/Package Size	Dilution
100910051	2 x 84.5 oz./2.5 L J-Fill®	1:32
100910052	2 x 50.7 oz./1.5 L RTD®	1:32

### Safety Reminder

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use, and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDSs are available on-line at [www.sealedair.com](http://www.sealedair.com) or by calling 888 352 2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate. Please refer to the Diversey HazMat Library, only available through Internet Explorer, <http://naextranet.diversey.com/dot/>, for up to date shipping information.
