Suma® Inox D7

Stainless Steel Polish

Ready-to-use polish for use on stainless steel non-food contact surfaces and other metal surfaces, such as brass and copper.

Features
- Helps protect surfaces by forming a protective film
- Resists finger marks and water spotting to maintain a polished appearance longer

Benefits
- Leaves the surface clean and shiny

Applications
- Ideal for use on refrigerator doors, handles, trolleys and dishwashing machines

Suma® Inox D7
Stainless Steel Polish

Use Directions

- For use on stainless steel, brass, aluminum, and other polished metals.
- Do not use on glass, clear plastics, or heated surfaces.
- Not for use on food contact surfaces.

1. Dispense product onto a clean wiping cloth or paper towel.
2. Wipe the surface, turning the cloth or towel frequently.
3. Polish to a bright shine. For extremely heavy soils, a second application may be necessary.

Storage

- Do not store in food processing or food storage areas.

SKU Code	Description/Package Size	Dilution
94368259	6 x 32 oz./946 mL Spray Bottles	Ready-To-Use

Safety Reminder

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use, and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDSs are available on-line at www.sealedair.com or by calling 888 352 2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate. Please refer to the Diversey HazMat Library, only available through Internet Explorer, http://naextranet.diversey.com/dot/, for up to date shipping information.
