

Emerel™/MC Plus

Multi-Surface
Cream Cleanser

Alkaline formula that quickly removes grease, soap scum, scuff marks and other stubborn stains without scratching the surface.

Versatile

- Recommended for difficult to clean stains, including soap scum build-ups, scale, scuffs, grease and rubber marks
- Use on porcelain, ceramic, stainless steel, chrome, Formica®, fiberglass, marble and other washable surfaces not harmed by mild abrasives

Clings to Vertical Surfaces

- Product stays where you put it to increase dwell time and therefore cleaning effectiveness

Free Rinsing

- Provides controlled sudsing so it rinses freely for a clean, bright surface

Emerel™/MC Plus

Multi-Surface Cream Cleanser

Use Directions

- Apply this product to a damp cloth or directly on surface to be cleaned.
- Loosen soil with rubbing action and wipe over entire surface.
- Rinse with water and polish with a dry soft cloth.
- To avoid food contamination, rinse all surfaces with potable water.
- Do not use on natural wood.
- Certain surfaces may be unsuitable for commercial strength cleaners.
- Test in an inconspicuous area before using.
- Do not store in food processing areas.

Safety Reminder

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use, and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDSs are available on-line at www.sealedair.com or by calling 888 352 2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate. Please refer to the Diversey HazMat Library, only available through Internet Explorer, <http://naextranet.diversey.com/dot/>, for up to date shipping information.
