

**Diversey**

**Profi™/MC**

**Floor Cleaner/Oil &  
Grease Remover**

Nonionic oil and grease remover for all resilient and synthetic rubber flooring. An integral part of a comprehensive floor care program for cleaning, stripping and sealing rubber floors.

#### Features

- Emulsifies dirt quickly
- Neutral pH and butyl-free

#### Benefits

- Gentle enough to use on resilient or rubber flooring
- Safe for use on most washable surfaces

#### Applications

- For use as floor cleaner and grease remover for all resilient and synthetic rubber studded flooring. Can also be used on stone, marble and other hard surfaces

## Profi™/MC

### Floor Cleaner/Oil & Grease Remover

#### Use Directions

- Position wet floor signs around area to be cleaned.
- Depending upon soil level, dilute product according to directions below with warm water.
- Distribute solution and allow to soak for 5-10 minutes (as conditions require) before scrubbing.
- Mop up or wet vacuum slurry.

#### Dilution for Concrete and Resilient Rubber Studded Flooring

- Light Soil Level: 1-2 oz. / gallon
- Heavy Soil Level: 3-4 oz. / gallon

#### Dilution for Studded Rubber Flooring

- Stripping of Silicone & Paraffin: 4 oz. / gallon
- Cleaning: 1-2 oz. / gallon
- Note: When cleaning cold floors, use hot water for best results (up to 140° F).
- Note: Floors will be slippery when wet or contaminated with foreign materials. Promptly clean up spills and foreign materials.

#### Available Items

Product Code	Description/Package Size	Dilution
94512759	4 x 1 gallon / 3.78 L Containers	1:32-1:128

#### Safety Reminder

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use, and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDSs are available on-line at [www.sealedair.com](http://www.sealedair.com) or by calling 888 352 2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate. Please refer to the Diversey HazMat Library, only available through Internet Explorer, <http://naextranet.diversey.com/dot/>, for up to date shipping information.
