

## Bravo® Power Foam

Heavy Duty  
Stripper for  
Spot Buildups

Heavy duty spray stripper for tough wax build-ups.

### Features

- Great for stairwells, baseboards, and small area stripping where machine scrubbing is not practical
- Foam clings where needed, including vertical surfaces

### Benefits

- Easy to use
- Visible foam changes to a clear liquid when it is done working

### Applications

- Designed for spot floor finish removal on VCT, terrazzo, and concrete flooring. Not intended for use on wood, linoleum, rubber, marble, painted surfaces, or on surface colored and acid dyed concrete floors as this product may harm these surfaces. Test for softening or color bleeding on asphalt floors before using.

# Bravo® Power Foam

## Heavy Duty Stripper for Spot Buildups

### Use Directions

Blockade areas to be stripped. Floors will be very slippery until dry. Exercise caution.

#### DIRECTIONS:

1. Shake well before using. Test on a small, hidden patch of the surface to be stripped to prevent possible damage. Do not use on painted surfaces, carpet or fabrics.
2. Hold can 6-8 inches (15-20 centimeters) from surface. Spray even film of product on area to be stripped. Remove any overspray.
3. Allow to work at least 3-5 minutes before wet scrubbing with an abrasive pad.
4. Rinse with clean water.

### Product Specifications

Description	
Certifications	None
Color/Form	Clear White Pressurized Liquid
pH	13.0
Scent	Solvent
Shelf Life	2 years

### Available Items

SKU Code	Description/Package Size	Dilution
94966769  	12 x 23 oz. / 652 g Aerosol Containers	Ready-to-Use

### Safety Reminder

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use, and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDSs are available on-line at [www.sealedair.com](http://www.sealedair.com) or by calling 888 352 2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate. Please refer to the Diversey HazMat Library, only available through Internet Explorer, <http://naextranet.diversey.com/dot/>, for up to date shipping information.
