

## Bravo®

### Heavy Duty Low Odor Stripper

Heavy duty and non-ammoniated for tough stripping jobs without the odor.

#### Effective

- Powerful formula dissolves all Diversey floor finishes
- Penetrates through finish build-ups and burnished finishes

#### Low Odor

- Non-ammoniated, non-solvenated
- No heavy odor

#### Versatile

- Suitable for use on a wide range of flooring

#### Economical

- Multiple dilution rates for different levels of build-up – all at affordable prices

## Use Directions

### Preparation

- Blockade areas to be stripped or finished. Floors will be very slippery until dry.
- Mix 1 part Bravo® Heavy Duty Low Odor Stripper to 4–8 parts warm water, depending on floor finish build-up.

### Coating

- Apply liberal amounts of solution uniformly on floor with mop.
- If splashing occurs, wipe off surfaces with a clean rag dampened with water.
- Let stripper solution soak for 5–7 minutes.
- Increase soak time if using cool water. Keep areas to be stripped wet.
- Scrub thoroughly using a stripping pad or brush to break-up film.
- Pick-up all of the solution with a clean mop, wet vac, or an automatic scrubber.

- Thoroughly rinse floor with clear water.
- Let floor dry completely before applying recommended Diversey brand floor finish or sealer.
- Note: The dilution of Bravo® Heavy Duty Low Odor Stripper can be varied from 1:4 to 1:8 depending on performance requirements.

### Cautions

- When using on asphalt or rubber tile, strip a small inconspicuous area to determine if bleaching or softening will occur.
- Do not use on unsealed wood, cork, linoleum or painted surfaces.

## Product Specifications

Description	
Color/Form	Colorless liquid
Flash Point	> 200° F (> 93.3° C)
pH	13.0 (Concentrate) 12.3 (Dilution 1:4)
Scent	No fragrance added
Shelf Life	2 years
Solubility	Complete
Specific Gravity	1.089

## Available Items

## Safety Reminder

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use, and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDSs are available on-line at [www.sealedair.com](http://www.sealedair.com) or by calling 888 352 2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate. Please refer to the Diversey HazMat Library, only available through Internet Explorer, <http://naextranet.diversey.com/dot/>, for up to date shipping information.
