Twinkle®  
Stainless Steel  
Cleaner & Polish

---

Maintains a bright and clean metal finish on stainless steel and other interior metal finishes.

#### Features

- Leaves no oily film
- Polishes as it cleans

#### Benefits

- Specially formulated to clean and beautify stainless steel, brass, aluminum, and chrome
- Has a light lemon scent that is pleasant to use, yet it is odorless after polishing

#### Applications

- Can be used on escalators, elevators, sinks, counter tops, stove tops, drinking fountains, chrome faucets, aluminum shower doors and trim, brass rails, and decorative planters
  - For use in hotels, motels, food service areas, restaurants, hospitals, nursing homes, schools, office buildings, shopping malls, retail stores, and terminals
- 

# Twinkle®

## Stainless Steel Cleaner & Polish

### Use Directions

- Remove cap-hold can upright and lightly spray surface to be cleaned.
- Wipe with clean cloth dampened with clean water. For heavily soiled area, allow foam to remain 60 seconds and then follow same instructions listed above.
- Using a second clean dry cloth, polish to a bright finish.
- Do not set on stove or radiator.
- Avoid contamination of food during use and storage.

**NOTE:** Never use on floors and protect floors from overspray. The product ingredients make a floor slippery. If oversprayed onto a floor, scrub floor with detergent and dry thoroughly. Multiple cleanings may be needed to remove all contamination.

### Product Specifications
