

Black Flag® Flying Insect Killer 3

Black Flag® Flying Insect Killer aerosol gets rid of houseflies, fruit flies, mosquitoes, wasps, hornets, yellowjackets, gnats, skipper flies and small flying moths. Kills on contact and keeps killing bugs landing on treated surfaces for up to 12 weeks*. Use the clean, fresh-scented bug spray either indoors or outdoors.

Features and Benefits

- Water based, low odor, non-staining formula
- Kills houseflies, fruit flies, mosquitoes, wasps, hornets, yellowjackets, gnats, skipper flies and small flying moths

**Residual claim excludes mosquitoes, wasps, hornets and yellowjackets*

Use Directions

Always read and follow label directions. It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

USE RESTRICTIONS • For surface spray: Do not allow adults, children or pets to enter the treated area until sprays have dried. • Do not apply this product in a way that will contact adults, children or pets, either directly or through drift. • For space spray: Do not allow adults, children or pets to enter until vapors, mists and aerosols have dispersed, and the treated area has been thoroughly ventilated. • Do not remain in treated area. Exit area immediately and remain outside the treated area until aerosols, vapors and/or mists have dispersed. • Do not wet plants to point of runoff or drip. • Do not wet articles to point of runoff or drip. Do not use treated article until spray has dried. • Dry clean treated clothes before wearing. • Not for broadcast use on indoor residential surfaces. • Do not water the treated area to the point of runoff. • Do not make applications during rain. All outdoor applications must be limited to spot or crack-and-crevice treatments only, except for the following permitted uses:

1. Treatment to vegetation around structures
2. Applications to lawns, turf and other vegetation

All outdoor applications to impervious surfaces such as sidewalks, driveways, patios, porches and structural surfaces (such as windows, doors and eaves) are limited to spot and crack-and-crevice applications only. Application is prohibited directly into sewers or drains, or to any area like a gutter where drainage to sewers, storm drains, water bodies or aquatic habitat can occur. Do not allow the product to enter any drain during or after application. Remove or cover exposed food and drinking water before application. Remove or cover dishes, utensils, food-processing equipment and food-preparation surfaces or wash them before use. Remove pets and birds and cover

fish aquariums before spraying. Vacate room after treatment and ventilate before reoccupying. Do not allow children or pets to contact treated areas until surfaces are dry.

SHAKE WELL BEFORE USING.

Hold can upright and spray from a distance of 12-15 inches.

INDOORS

FLYING INSECTS: Houseflies, Fruit Flies, Mosquitoes, Wasps, Hornets, Yellowjackets, Gnats, Skipper Flies and Small Flying Moths. Spray window sills, window and door frames, and other indoor surfaces where these insects may land. Close all doors and windows, and spray upward into center of room with a slow, sweeping motion. Spray 5-10 seconds for average room, moving toward the door. Direct spray to all parts of the room, especially windows and other light sources which attract these insects. Keep nozzle in constant motion. Leave room and keep area closed for 15 minutes after spraying. Ventilate room thoroughly before re-entry. Sweep up and discard fallen insects.

OUTDOORS

Point nozzle away from face. Hold can at slight downward angle. For best results, spray when air is calm. Allow a few minutes for product to take effect. Spray with wind if breeze is blowing.

FLYING INSECTS: Flies, Mosquitoes, Wasps, Hornets, Yellowjackets, Gnats and Small Flying Moths. Allow fog to drift over area. Direct spray toward bushes or grass from at least 4-6 ft away. Give special attention to breeding areas such as garbage cans and compost piles.

To the extent consistent with applicable law, buyer assumes all responsibility for safety and use not in accordance with directions.
