

Endust® Stainless Steel Cleaner

Endust® Stainless Steel Cleaner is designed to quickly clean away dust, dirt, fingerprints and water spots from stainless steel. The non-abrasive formula will provide a protective streak-free shine with minimal rub-out. Works great on kitchen appliances, sinks, faucets, countertops, grills and more!

Features and Benefits

- Cleans, shines and protects
- Cleans with no streaks or buildup
- Ideal for stainless steel, chrome and aluminum surfaces
- Resists fingerprints and provides cover-up for blemishes
- Continuous action aerosol sprays from any angle, easily reaching even the toughest areas
- Formulated with mineral oil to lock dust and dirt to the cleaning media so nothing escapes when cleaning

Use Directions

Shake well before using. Hold can upright and spray 6" from the surface. Wipe immediately in the direction of the surface grain with a soft, clean cloth.

If the finish is unknown, first try on an inconspicuous area to test the results. Do not use on food contact surfaces or natural stone.

Safety Reminder

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use; and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDSs are available on-line at www.sealedair.com or by calling 888.352.2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate. Please refer to the Diversey HazMat Library, only available through Internet Explorer, <http://naextranet.diversey.com/dot/>, for up to date shipping information.
