

Advanced Gator® Containers and Lids

7755-3

Added Features like venting and cinches set these Gator's apart from the basic.

Features

- Built in air venting passages provide up to 75% reduction in the force to remove a filled liner
- With lid locked, container is animal and spill resistant even if tipped over
- Offset ridge design allows container to nest without jamming
- Handles have a larger radius and a deeper well for easier moving and lifting.
- Deeper wider bottom hand grip pockets slots for easier container dumping
- The container and lid are both NSF Standard 2 & 21 listed and approved.
