

MAXIM®

Phoz Gel Thickened Bowl & Tile Cleaner

Features:

Thickened, Mild Acid Formula

Ready to Use

Safe on Metals, Fixtures, Drains and Pipes

Description

This unique thick and clinging formula provides prolonged contact time on vertical surfaces and holds to bowl mop for superior cleaning. This excellent blend of surfactants and acids cleans organic soils and removes mineral deposits with ease. Keeps fixtures sparkling and deodorizes as it cleans. Non-injurious to most metals, porcelain, tile, and enamel when used as directed.

Directions

For use on acid-resistant surfaces only. Do not use on marble, terrazzo, aluminum, or aluminium alloys.

DO NOT MIX this cleaner with bleach, chlorinated cleaners, or strong alkaline compounds.

For cleaning toilet bowls and urinals:

- 1 Flush toilet or urinal.
- 2 For toilet bowls, remove as much water as possible by forcing it over the trap with a bowl mop.
- 3 Apply product with a bowl mop, or dispense directly onto surface.
- 4 Scrub entire surface, concentrating on water outlets and under the rim.
- 5 Flush and rinse off bowl mop.

For drinking fountains, tile and porcelain:

- 1 Dilute with 2 parts water to 1 part product.
- 2 Apply with sponge or clean bowl mop (do not use same mop on toilets / urinals on any other surface).
- 3 Rinse with water and wipe with wet sponge or cloth.

Applications

For cleaning toilets & urinals in:

- > Office buildings and hotels
- > Schools and municipal institutions
- > Any and all public restrooms
