

# MAXIM®

## Odor Removing Bio Culture

### Features:

*Pleasant Odor*

*Destroys Urine Salts*

*Live Bacteria and Enzymes*

### Description

This product is composed of bacteria specifically bred to attack odor-causing organic soils and controls malodors by removing them at their source, leaving a nice fresh scent. This product is great for odors caused by urine, feces, vomit, and other organic wastes.

### Directions

#### For use in restrooms:

- 1 Clean areas thoroughly.
- 2 Spray product into and around toilets and urinals.

#### For use on carpets:

- 1 Clean areas thoroughly.
- 2 Spray soiled areas until thoroughly saturated.

#### For use in refuse containers and dumpsters:

- 1 Empty containers and remove any stuck-on soils.
- 2 Spray or rinse with a solution of 64 oz. per gallon of water.
- 3 To control malodors, repeat after every dumping.

### Applications

#### Removes odors from:

- > Pet stains and musty carpets
- > Urinals and toilets
- > Dumpsters and trash cans
