

MAXIM®

XXXTractor Carpet Cleaner Concentrate

Features:

Aggressive Cleaner

Controlled Sudsing

Keeps Equipment Operating at Peak Efficiency

Description

This product is a concentrated carpet cleaner designed to be used in extraction cleaners. This product penetrates carpet and loosens soils quickly so that they are vacuumed into the extraction machine.

Formulated with a very pleasant fresh fragrance, this product eliminates odors to leave carpet smelling clean.

Directions

Pretest an inconspicuous area of carpet to determine colorfastness of the material.

- 1 Use defoamer during extraction if needed to control foam
- 2 Use 1/2 oz. of product per gallon of water in solution tank.
- 3 For heavy stains this product can be applied full strength to the stain to act as a traffic lane spotter.

Applications

Ideal for:

- > All types of extraction cleaners
- > Prespray as a traffic lane cleaner
- > Prespotter and carpet stain remover
