

# MAXIM<sup>®</sup>

## Oven-N-Grill Alkali Degreaser RTU

### Features:

**Powerful Formula**

**Clings to Vertical Surfaces**

**No Noxious, Choking Fumes**

### Description

Great for decarbonizing cooking utensils, this product is ready-to-use, no mixing of harsh or dangerous chemicals. This product's thick, rich foam stays where you spray it, allowing this outstanding cleaning chemical the time needed to break down even the worst soils.

Convenient and easy to use, just pop a foaming trigger sprayer into a quart and you are ready to go!

### Directions

*NOTE: Wear rubber gloves and goggles when using this product.*

*Recommended for use on iron, stainless steel, ceramic, and porcelain enamel. Do not use on aluminum and other soft metals.*

- 1 Scrape away any loose soils.
- 2 Spray soiled areas liberally with product.
- 3 Allow at least 15 minutes contact time.
- 4 Wipe off.
- 5 Rinse thoroughly with potable water.

### Applications

#### Ideal for:

- > Removing heavily carbonized soils
- > Stainless steel
- > Porcelain enamel
