Pot 'N' Pan Cleaner is a manual dishwashing liquid that removes grease and cooked-on foods from pots, pans, steam tables, and utensils. It also leaves dishes and glasses sparkling clean.

Due to its remarkable suspension qualities, Pot 'N' Pan Cleaner works great where excessively heavy deposits are encountered — formulated to do the heavier types of cleaning where ordinary cleaning power is not sufficient.

NSF Certified A1.

Directions

Empty contents of a Pot 'N' Pan Cleaner pack into warm water (see dilutions ratios below) to clean pots, pans, glasses, dishes, and utensils.

Dilutions

#2307544

Add one 1.5-ounce pack of Pot 'N' Pan Cleaner to 7.5 gallons of water.

#2307810

Add one 2-ounce pack of Pot 'N' Pan Cleaner to 10-12 gallons of water.

#2307827

Add one 4-ounce pack of Pot 'N' Pan Cleaner to 20-25 gallons of water or use with preprinted #2997828 bottle with spout top.

Personal Protective Equipment: Wear protective gloves. Wear protective eyewear.
Unused Product Disposal: Unused product or its solutions may be poured down the drain. Never pour unused product or its solutions down an outdoor drain.
Improper dilution or improper use of this product may result in skin and eye irritation, damage to surfaces and unsatisfactory cleaning performance.
Pack Recycling: Empty packs should be rinsed out with cold water and then placed for recycling where accepted.
