Specializing in Stock and Custom Kits for Foodservice and Healthcare

King Packaging™ cutlery kits are assembled and shipped from WNA's Bremen, GA facility.

Our certifications include American Baking Institute superior status as a Food Safety Facility — the highest ranking available — full FDA and Department of Agriculture compliance and the Orthodox Union K and U Seal. King also follows a rigorous HACCP (Hazard Analysis Critical Control Points) procedure to identify and eliminate potential food safety issues before they happen. Additionally, all of our cutlery and straws are manufactured using FDA approved materials

We are able to offer short lead times as we convert our own napkins, run our own salt, pepper and dry condiment lines in addition to packing our own kits.

King Packaging™ is a leader in foodservice cutlery kits for the healthcare industry. With more than 800 combinations of seasonings, napkins, straws and flatware —covering all the major diets — **Diet Kit®** branded foodservice kits eliminate the need for individual packet selection, saving time and money. We can supply a kit combination to meet all of your dietary needs.

A full line of coffee/hospitality kits are also available from King Packaging™.
