

### A00313 Multipurpose Mist Spray Adhesive

### Adhesives & Sealants

#### Features

- Nonchlorinated Mist Spray Formula with Medium Solids
- Fast Tack, Quick Adhesion for Temporary or Permanent Bonds
- Waterproof & Non-Staining
- Flexible & Non-Dimpling
- Hexane Free Formula

#### Description

This advanced formula mist spray adhesive is the one true all-purpose adhesive. This unique product utilizes an advanced rubber system to create a product versatile enough for everything from crafts to labels to industrial applications. It's high heat resistance (over 200°F) allows use in a variety of environments including applications in engine compartments, around boilers, quick tack on headliners, and for flash curing during silk screen printing. The formula is pressure sensitive with fast tack and forms an ultimate permanent bond. Non-staining, the conical mist spray pattern has minimal overspray and resists melting while retaining the same strong tack and adhesion. It is excellent for use on paper, wood, fabric, metal, plastic, and a variety of other materials. Formulated with the environment in mind, this product contains no chlorinated solvents, carcinogens, or ozone depleters.

TECHNICAL INFO:		
Appearance	Mist Spray	
Color	Straw	
Odor/Fragrance	Ketone	
pH	N/A	
Spray Pattern	Mist	
Glycol Ether Content	No	
Biodegradability	No	
Chlorinated Solvents	No	
Green Status	None	
Recyclable Packaging	Yes	
% VOC By Weight	65.0	
VOC Restricted Regions	None	
Food Processing Suitability	N/A	
EPA #	N/A	
Flammability per CPSC	Extremely Flammable	
NFPA Code 30B Storage Level	4	

Packages Available:

Label Datecode: 05/07
