

**BL0940**  
**PBC-20**

**Cleaning**

### Features

- Multipurpose Restroom Cleaner
- 20% Phosphoric Acid
- Ready-to-Use Tile & Grout Cleaner
- Dissolves Hard Water Scale, Lime & Rust Stains
- Cleans Toilets & Urinals
- Thickened Formula Clings to Vertical Surfaces

### Description

This high performance cleaner is an ideal substitute for aggressive hydrochloric acid cleaners or when non-acid cleaners just won't get the job done. This phosphoric acid based formulation quickly cleans and brightens bowls, urinals, porcelain and tile, as well as brass, chrome, bronze, copper, fiberglass, stainless steel, and more. It can be used in toilets, baths, showers, pool and spa areas, and even kitchens on soiled coffee urns, steam tables, and drinking fountains. The thick viscosity formula clings to vertical and horizontal surfaces for maximum dwell time. The high concentration allows for easy removal of corrosion, scale, lime, rust, and stains. In addition, the pleasant fragrance deodorizes as it cleans.

TECHNICAL INFO:		
Physical Properties	Appearance	Hazy
	Color	Red
	Odor/Fragrance	Cherry
	pH	< 2.0
	Freeze/Thaw Stability	Good
Environmental Profile	Glycol Ether Content	No
	Biodegradability	No
	Chlorinated Solvents	None
	Green Status	N/A
	Recyclable Packaging	Yes
Regulatory Compliance	% VOC By Weight	< 1.0
	VOC Restricted Regions	None
	Food Processing Suitability	N/A
	EPA #	N/A
	Flammability per CPSC	N/A
	Flash Point	None to Boiling
