Clean Brakes and Evaporates Quickly

VOC Compliant Brake & Parts Degreaser

An environmentally responsible, fast evaporating solvent cleaner for removal of oil, grease and dirt from industrial parts and brakes.

Benefits:

- Fast evaporating; leaves no detectable residue on cleaned surfaces
- Non-emulsifying and non-corrosive
- VOC Compliant – meets OTC & CARB VOC regulations

Applications:

- Automotive repair shops
- Electrical contractors
- Electric services
- Electronic computing equipment
- Fabricated metal products
- Heating & A/C services
- Textiles

Directions for Use:

This solvent can be used as a general purpose degreaser or as a brake cleaner.

Wipe cleaning: Soak a cloth or rag with the solvent and wipe away soil. Rinse cloth or rag periodically with fresh solvent. **Spray cleaning:** Apply product through a compatible pressurized sprayer or trigger sprayer. After spraying the product may be allowed to air dry, or drying may be hastened by blowing off with compressed air in a well-ventilated area. **As a flush:** For processes requiring fast evaporation: Apply product through a pressurized sprayer or trigger sprayer to remove any slower evaporating residual solvent.

Caution: This product is a strong solvent and, as with any strong solvent, some substances (plastic, painted surfaces, etc.) may be sensitive to contact with this product. A test should be run on a small inconspicuous area prior to full-scale use. This is particularly important when prolonged contact, such as soaking, is anticipated.

Zep Base Code: R256

Industrial Degreasers

Specifications:

Physical Form	Thin liquid
Odor	Melon
Color	Clear, colorless
Specific Gravity	0.833
Flash Point (TCC)	-24°C
pH (concentrate)	n/a
Shelf Life	1 year minimum
DOT Shipping Label	Flammable Liquids, N.O.S.

Packaging Information:

SKU	Package Quantity	Weight (lbs)	Length (")	Height (")	Width (")
R25635	5 gal pail	37	12.00	14.50	12.00

Safety:

Please make sure you have read and understand the product label and MSDS before using this product. MSDSs are available at www.zepprofessional.com. Avoid breathing vapors, spray or mists. Use only with adequate ventilation. Keep container closed. Wash thoroughly after handling. Wash contaminated clothing before reusing. Observe label precautions.
