THE HEAVY HITTER FOR ALL YOUR HARD SURFACES

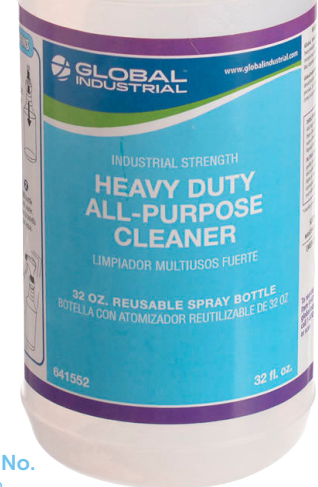

The Global Industrial™ Heavy-Duty All-Purpose Cleaner is a commercial-grade degreaser & deodorizer that is safe for use on all nonporous surfaces. Its powerful formula makes hard-to-clean surfaces like stainless steel and chrome sparkle; and when it comes to really tough messes like crayon, smoke film, and ink, this cleaner easily removes them and leaves a refreshing ocean scent.

FEATURES

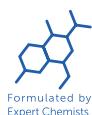

- Each 100% water-soluble pod makes 32-ounces of cleaner in minutes
- Add directly to water; no need to cut, tear, or open pods
- Powerful and effective surface cleaner engineered to clean dirt, grease, and grime on any nonporous surfaces
- Green Seal certified
- Biodegradable, ammonia-free, bleach-free, and phosphate-free
- Perfect for stainless steel and chrome
- Packaging is 100% reusable and/or recyclable
