Technical and design modifications reserved.

The simple and convenient method of data destruction in the workplace. The document shredder with an automatic paper feed and lockable stack protects inserted stacks of paper from unauthorised access and shreds stacks of paper with up to 300 sheets of paper as well as single sheets of paper easily whilst saving you time.

- High quality materials and "Made in Germany" quality for security and durability. With 3 years warranty.
- Cutting rollers made of hardened solid steel.
- Reliable and time-saving shredding of stacks of paper.
- Lock-and-Go function protects the inserted paper stack against unauthorized access.
- Powerful motor allows for continuous operation.
- Nanogrip Technology for reliable sheet intake.
- Useful dual function: Manual feed of paper during the autofeed stack processing.
