

Embracing *functionality*

Edge Series A3 & A4 10-sheet Trimmers

Equipped with a replaceable carbon steel rotary blade, Swordfish Edge trimmers will cut with one smooth movement in either direction. Available in A4 and A3 sizes, these trimmers make it quick and easy to cut paper, and photographs cleanly and precisely.

FEATURES

- Cut up to 10 sheets of 80gsm paper
- Strong metal base with non-slip rubber feet
- Paper formats printed on base to aid alignment

Edge-320 A4 Trimmer

Replacement Cutting Head for Edge Series Trimmers

Even a Swordfish blade gets worn after heavy usage. There is no need to buy a whole new trimmer, as the cutting head can be easily and safely replaced.
Code: 40909X

Model	Product Code	Maximum Paper Size	Cutting Length	Cutting Capacity*	Sheet Capacity**
Edge-320	42013X	A4	320mm	1.0mm	10
